

Radiance

Strategic Direction

2025 - 2030

Vision

To connect and create a supportive community that enhances parental emotional wellbeing, strengthens families, and nurtures community relationships.

Mission

We recognise the vulnerabilities and challenges of pregnancy and early parenthood and offer a safe space to support your emotional wellbeing.

People

We provide peer-led, evidence based, face-to-face support.

Advocacy

We speak up for vulnerable families and improve community awareness about perinatal mental health.

Sustainability

By creating and building upon opportunities for the existence and growth of Radiance.

Leadership

Through providing stability and by being accountable and transparent.
